AGA Saluki Textiles

A beautiful watercolour print of Saluki dogs adorning our ever-popular kitchen textile range.

Salukis became popular in the UK during the 1920s. Brigadier General Lance and his wife helped establish the breed and were instrumental in getting the Saluki recognised by the Kennel Club.

All textiles are individually packaged in a biodegradable bag made from potato starch.

See page 54 for a fine bone china mug in our lovely Saluki design.

AGA Ratatouille Textiles

Adorned with a proliferation of Mediterranean vegetables, our brightly coloured range of kitchen textiles celebrate the restaurant-worthy Ratatouille dish which originated in Provence.

Raspberry and White Chocolate Cake

The flavours of raspberries and white chocolate complement each other wonderfully in this special cake.

2 x Mary Berry 20cm Sandwich Tins, buttered and base lined

Ingredients:

- 225g butter, softened
- 225g caster sugar
- Grated zest of 1 lemon
- 4 large eggs, beaten
- 225g self-raising flour
- 100g white chocolate chips
- 175g fresh raspberries, cut into quarters

Filling and icing:

- 200g white chocolate chips
- 250ml double cream

Decoration:

- Fresh raspberries
- Freeze dried raspberries (optional)
- Meringue kisses
- Fresh or crystallised edible flowers (not ones that have been sprayed with insecticide!) such as primroses, violets or violas
- Icing sugar

Method:

1. Cream the butter, sugar and lemon zest together until light and fluffy. Gradually beat in the eggs, adding a little flour at the end to avoid curdling. Fold in the flour, white chocolate chips and raspberries. Divide the mixture between the two cake tins.
2. Place the cake tins on the oven grid shelf set on the baking oven floor for 30-40 minutes, until the cakes have risen, golden and cooked.
3. Let the cakes cool for about 10 minutes then remove from the tins and place on a cake cooling rack to go completely cold.
4. Meanwhile, make the filling and icing, a white chocolate ganache. Place the white chocolate chips into a bowl with 100ml of the double cream. Melt together on the warming plate or at the back of the AGA. When melted remove from the heat, beat together and cool for 15 minutes, then beat in the rest of the cream. This icing is easy flowing and will benefit being refrigerated for an hour before using.
5. Sandwich the cakes together with half the ganache and spread the other half on the top. Decorate with raspberries, meringue kisses and the flowers. Sift over icing sugar just before serving.

With thanks to AGA Specialist Dawn Roads for this recipe.
