Spring / Summer 2022

Time to Celebrate…

Following the cold, dark winter months, there's so much to look forward to in 2022…from the extra bank holiday to commemorate the Queen's Platinum Jubilee, to a thrilling summer of sport where Britain hosts the Commonwealth Games. What better reasons to get together and celebrate with great food, family and friends?

We have added some great new cookware to our range to help you make the most of your AGA and cater for everything from mid-week suppers, to crowded-table family occasions, or even mass cooking for a street party.

By popular demand, we've added non-stick products to the best-selling range of AGA stainless steel cookware and an Induction Grill, Vapor Grill, Quiche Tin and Crepiere to the scratch-resistant and easy-clean range of cast aluminium cookware.

The exciting news from us is that the AGA celebrates its centenary this year and we have lots of events, giveaways and new product launches coming up in the next few months. Cleaning Tips

CAST IRON OVENS
Food spills are automatically carbonised by the heat of the oven and quickly disappear. Ovens merely need to be brushed out occasionally with the wire brush.

ENAMEL SURFACES
Apply AGA Enamel Cleaner with a damp cloth and immediately wipe with a clean damp cloth.

LIDS
Apply Chrome and Steel Cleaner with a damp E-cloth and finish using the polishing cloth

HOTPLATES
Keep hotplates clean by brushing with the wire brush. Clean hotplates are essential to ensure efficient heat transfer to saucepans and kettles.
