

- TOP DOG TEXTILES - SUPPORTING THE DOGS TRUST

BRAND NEW COLLECTION & PHOTOGRAPHY

Long has there been a strong relationship with AGA owners and their pets, so developing a beautiful range of textiles that embraced this bond was the next step in the brands 'personalised' approach.

Keen to involve its loyal customer base from the outset, AGA Cookshop sent out a request to AGA owners to send in favourite photos of their beloved dogs. From an impressive number of entries, the brand were then able to analyse the nations dogs and develop a beautiful print which proudly displayed the top 8 breeds – AGA's most popular pooches!

Aptly named 'Top Dog', the collection is fashioned from stylish hand-drawn images of the most popular dogs, dotted across a base of warm cream cloth framed with a black trim. Including an Oven Gauntlet, a Tea Towel, Apron, Double Oven Glove and AGA Chefs Pad, these playful designs are sure to brighten up any kitchen space.
